

E EK!

YOU'VE BEEN BOOED!

PLEASE HELP SPREAD THE HALLOWEEN CHEER

BY FOLLOWING THESE DIRECTIONS:

1. Enjoy your special treat!
2. Go to www.boobaskets.com for all the information you need about "Booing".
3. Within 2 days, make 2 copies of the Boo sign, poem, and this note and make up 2 treats of your own. If you do not wish to play, feel free to just pass along this treat. It would be great if you could still post the sign in your window so you don't get double "booed".
4. Secretly deliver your treats to 2 neighbors who don't have a Boo in their window yet.
5. Keep a close eye on nearby front doors to see how far and fast the cheer spreads by Halloween!
